DISCOVER THE BEAUTY OF COSTA MAYA

Costa Maya is a small tourist region in the municipality of Othón P. Blanco in the state of Quintana Roo, Mexico, the only state bounded by the Caribbean Sea to its east. Currency in Mexico is the "Mexican Peso" but US Dollars are accepted practically everywhere. The official language in Mexico is Spanish. However, in Costa Maya you'll find out that many people also speak English, Italian and German. Wherever you go in Costa Maya you'll find someone who also speaks Mayan or speaks only Mayan.

TIME CHANGE: Don't forget to turn your clocks ONE HOUR BACK before going to bed tonight (**Friday Night**).

On behalf of the entire crew, we thank you again for sailing with us. We hope you enjoyed every minute of your vacation with us. On disembarkation day, we ask that you vacate your stateroom by **8:00am**. However, you will still have a few vacation hours left before you disembark, so please enjoy a leisurely breakfast or just relax in one of our public lounges until your luggage tag color is announced (Note: Announcements will be made directly into the staterooms after **8:00am**).

Enjoy the last day of your cruise

Settling your account

6:00am – 9:00am, Onboard Credit Desk, Atrium, Deck 6, Mid

- You will receive a copy of the itemized statement of your onboard account via email, if you elected that option during your online check-in. If you have made arrangements to settle your onboard account by credit card, your charges will be billed automatically, and it is not necessary to go to the Guest Services Desk.
- If you have outstanding charges and plan to pay with cash OR an excess deposit balance is owed to you, please settle your onboard account before **9:00am** at the Onboard Credit Desk in the Atrium on Deck 6, Mid, before proceeding to the gangway. An unsettled onboard account will be indicated at the disembarkation point and may cause inconvenience and delay. We encourage you to settle ahead of time to avoid last minute congestion at the desk and gangway.
- If you are planning to switch your payment from a debit/check card (linked to your bank account) to cash, kindly be advised that when your card was registered, an initial authorization hold was obtained and maintained based on your onboard spending. Releases of authorization holds are entirely at the discretion of your issuing bank and can vary from as little as 72 hours and up to 45 business days. Please be aware that this may affect the balance in your bank account. You may also review your preliminary statement by using the iTV in your stateroom or Cruise Norwegian App.

Service charges

Fixed service charge rates have been automatically added, per guest per day (for guests three years and older), to your shipboard account, if you did not pre-pay them, as follows:

The Haven & Suites	\$25.00 per person per day
Club Balcony Suite, Balcony, Inside and Studio	\$20.00 per person per day

The reason there's a fixed service charge is an important one: Our Crew is encouraged to work together as a team. Staff members including complimentary restaurant staff, stateroom stewards and behind-the-scenes support staff are compensated by a combination of salary and incentive programs that your service charge supports. If you have received excellent service from any of our crew members and feel so inclined to recognize them further, it would be most appreciated by our hardworking crew.

Photo Gallery

7:00am - 8:30am, Deck 8, Aft

The Photo Gallery will be open in the morning of disembarkation for collections and final purchases.

Please note that additional taxes will be added for every transaction and that no retail products will be available.

Liquor Distribution

Any alcohol / liquor that was purchased ashore, collected at the gangway, purchased onboard in the Gift Shop, or that was delivered to the ship by a recommended store will be delivered to your stateroom on the last night of the cruise **Saturday from 3:00 PM – 5:00 PM.**

Lost and Found

If you have misplaced any item during the cruise, please enquire at the Guest Services Desk, Deck 6, Mid in case the item has been handed in. Before disembarking the vessel, please remember to empty your safe and leave the safe door open.

Luggage Information

Simply pick up the luggage tag that corresponds with the time you would like to leave. It's that simple! Luggage tags are located in the Atrium by the Guest Services Desk, Deck 6, Mid starting **today** from 8:00am onwards. If you have a Norwegian transfer to the airport or have booked a post cruise hotel with Norwegian, the luggage tags and instruction letters will be delivered to your stateroom. Simply place your suitcase outside your stateroom no later than **10:00pm** on **Saturday** with your chosen colored luggage tags attached. Remember to keep a small overnight bag with your essentials and your travel documents.

As you disembark the vessel, please have your Freestyle Keycard in hand along with your Identification Documents. We anticipate the commencement of disembarkation with checked luggage/color tags at approximately **7:30am** with final call for all guests to disembark the vessel at approximately **9:45am**.

Once you have disembarked, you need to enter the terminal hall where you will be directed to claim your luggage. Porters will be available in the luggage hall for guests who may need assistance.

Wheelchair Assistance

Guests requiring wheelchair service and assistance to disembark the ship are kindly asked to meet at **O'Sheehans Restaurant** on **Deck 7, Fwd.** Wheelchairs and attendants will be available from **8:00am to 9:00am**. Assistance will begin by order of arrival on a first come, first served basis. Assistance and disembarkation will only begin with the colored luggage tags announcements - please see the disembarkation schedule on the last page.

In order to accommodate all guests and ensure a smooth disembarkation process, there will be NO stateroom pick-ups or the option to be escorted off the ship.

Please ensure that you do not have any suitcases with you (only small carry-on bags are permitted). Due to local union regulations, our shipboard staff are not allowed to perform any duties ashore except for wheelchair assistance from the ship to the wheelchair drop off point in the terminal.

The simplest way is to keep your luggage with you and carry it off the ship at your leisure between **7:30am and 8:30am**.
